

# Mauritania – Transparency

- *Woodside joined EITI on April 2005*
- *Working with governments to make public production volumes & taxes paid*
- *Support Mauritanian Government joining EITI*

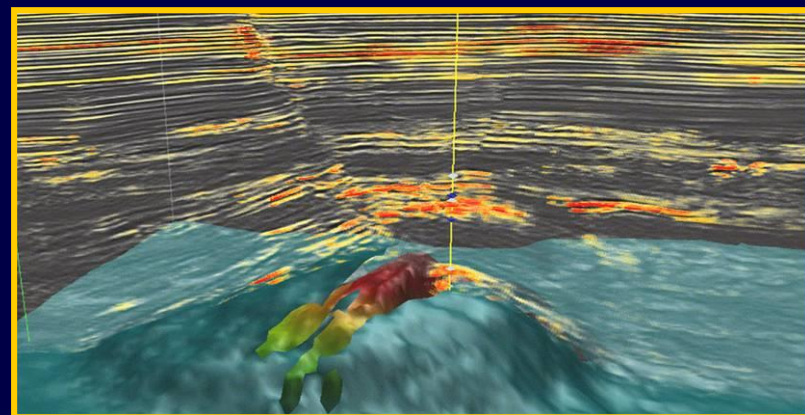

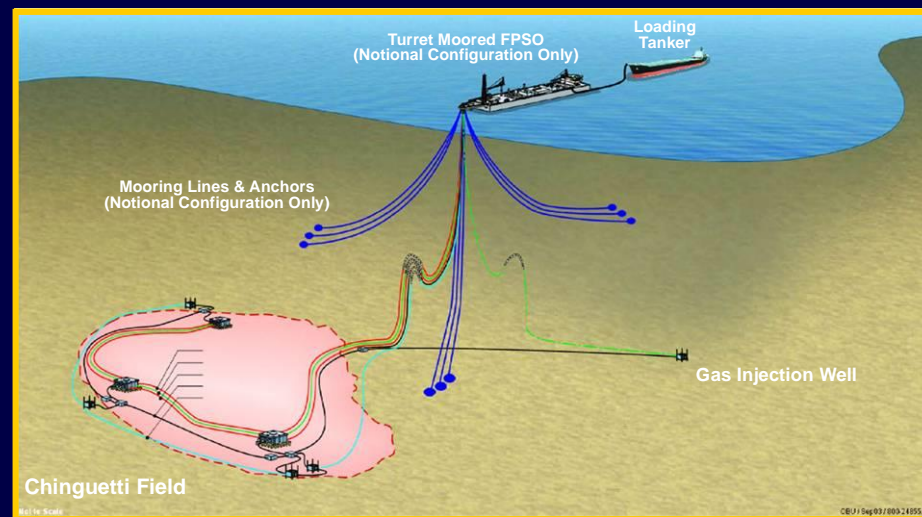

# Mauritania – Chinguetti

**Woodside: 48% and  
Operator**

## Background

- 2D seismic: 2000
- 3D seismic: Dec-Mar 2001
- Discovered: June 2001
- Approved: Q2 2004

# Chinguetti success

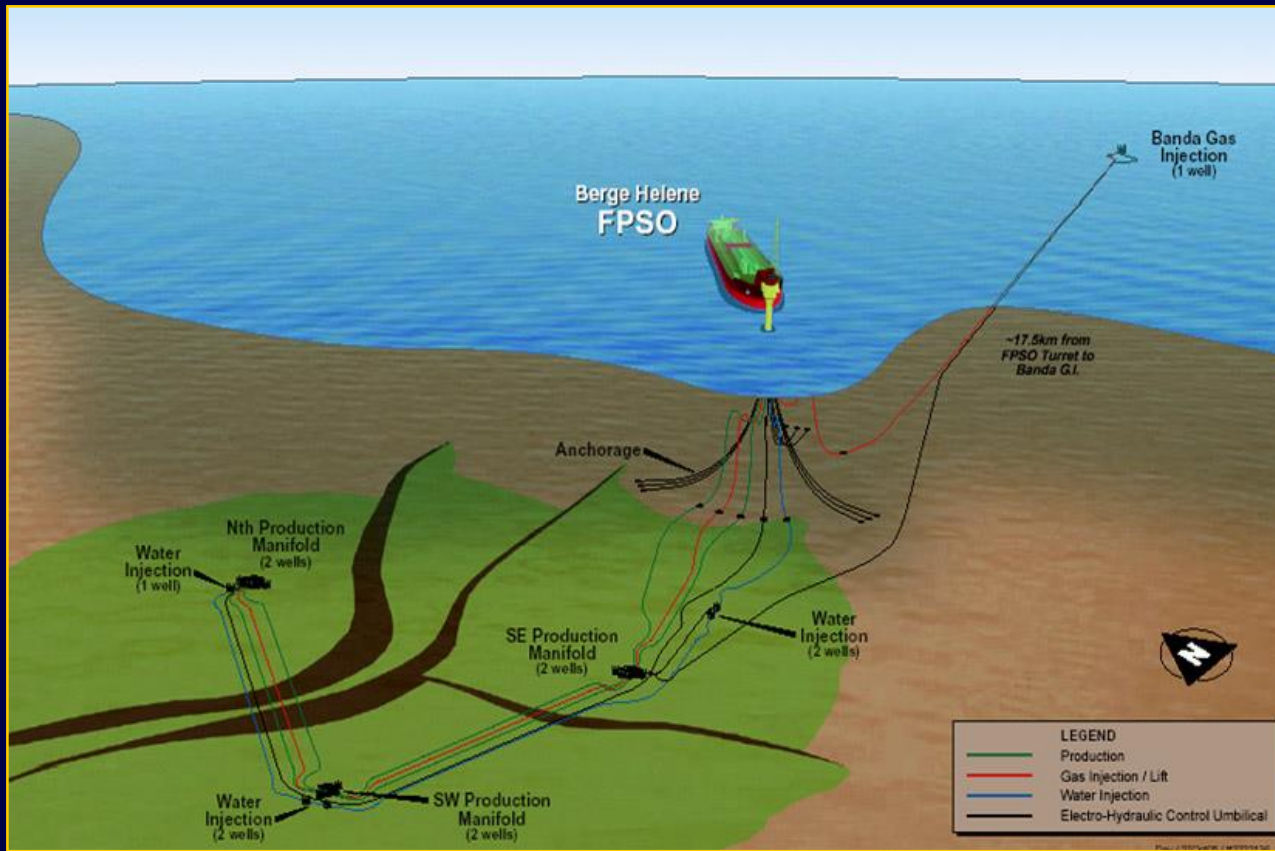

## 1<sup>st</sup> Woodside-operated international project delivering production

- *First oil achieved on 24 February 2006*
- *First cargo loaded on 22 March 2006*
- *Three cargoes delivered*

# Chinguetti production

## FPSO

- Storage 1.65 MMbbl
- Permanently moored
- Production capacity 75kbpd

## Subsea

- 6 production wells
- 5 water injection wells
- 1 gas injection well

# Other Discoveries

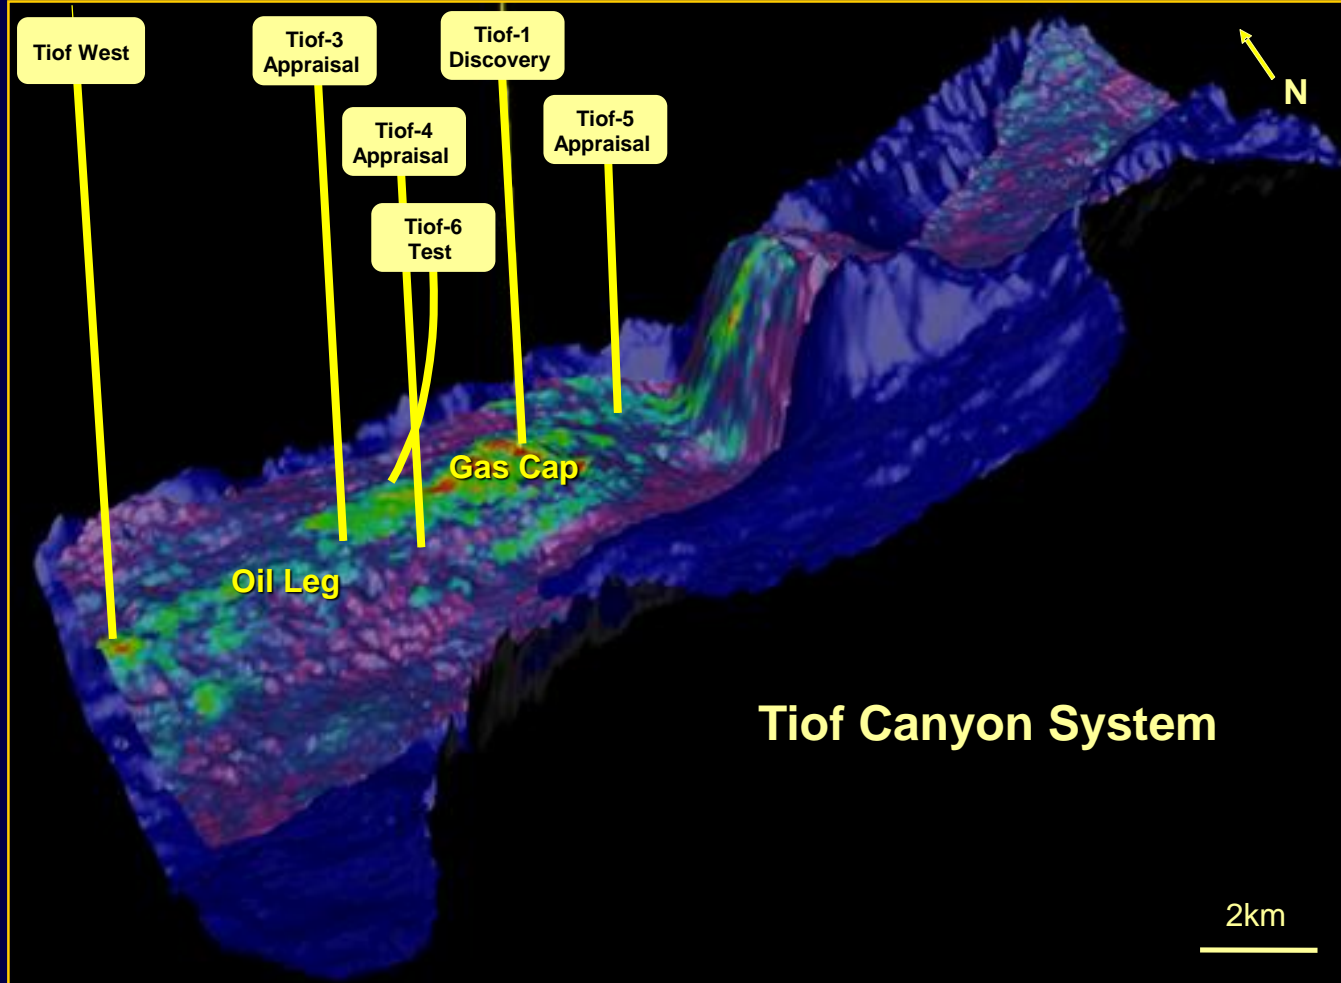

---

- Banda (Gas) in 2002
- Tiof (Oil) in 2003
- Tevet (Oil) in 2004
- Labeidna (Oil) in 2005

Appraisal of all these discoveries continuing.

# Tiof appraisal

- Complex reservoir
- Further evaluation required
